“Wine is a Passport to the World”

95

Tom Elkjer

Take an unknown ‘wine journey’ with every glass of wine. Let us guide you around the world to an undiscovered ‘wine destination’. Each and every glass is full with flavours and aromas, carefully chosen to showcase each and every corner of the globe.

We highly respect history and heritage. Therefore, The Latymer has put together some of the world’s lesser known wine regions to inspire every palate. For the finest wines, historical expertise has been perfected for several centuries by passionate vigneron analyzing vintage after vintage to produce better quality with what nature provides.
